Dear Metro South Chamber of Commerce Member,

You're invited to join the Nissan 24 Community Partners Program, the exclusive new program that's designed to reward local community businesses like yours.

Our Mission!

Nissan 24 is committed to creating lifelong relationships with our drivers. From the moment you walk into our doors until long after the sale, we want you to feel like you're doing business with a friend. We strive for the highest level of honesty, integrity, and respect in all aspects of our dealership, whether it's finding the right part, servicing your vehicle, or transitioning you into a new or quality pre-owned vehicle. Our goal is to be the very best in the automotive industry and to offer you the car-buying experience of a lifetime.

Special Fleet Pricing!

Partnership means that your company will receive competitive corporate rates on our full line of quality Nissan vehicles... whether you need four or 24 for your fleet.

Just Show Us Your Badge!

As an added bonus to being a Nissan 24 Community Partner, your employees will receive **\$100 over our dealer cost (not the retail value)** on our entire lineup of new Nissans... from the 4 door Nissan Sentra with up to 34 MPG to our workhorse Nissan Titan - named the "*Lowest True Cost To Own in its class*" by edmunds.com.

Discounts will also be available on our huge selection of quality pre-owned vehicles. All your employees need to do is "*show us their badge or business card*" and the savings are automatic!

Also, gain exposure to our clients and customers with your company logo on our Community Partners page at Nissan24Auto.com.

We're a local business just like you. That's why we want to foster relationships with you and your workers to keep business booming in our area.

Sincerely,

Hank Tuohy
