Keynote Speaker

Harvey B. Hirschhorn, CFA

Managing Director & Chief Portfolio
Strategist/Economist

Harvey B. Hirschhorn oversees the development and implementation of both tactical and strategic asset allocation strategies for clients served by the Global Wealth & Investment Management division of Bank of America. In this role, he evaluates the current and expected market environments and determines their potential impact on investment portfolios.

Prior to his current position, Mr. Hirschhorn was head of active asset allocation and strategy for Columbia Management. He also co-managed equity value investments and held the positions of chief economist and strategist, director of research and senior portfolio manager for Liberty Funds/Stein Roe & Farnham.

Harvey is a member of the Investment Analyst Society of Boston and a frequent guest of various financial news outlets, including CNBC, CNN and Bloomberg Television.
