## Metro South Regional Map

The Metro South Chamber gets daily requests for street maps of the area. You’d be amazed at how many people still like to use maps to find your business! In response to this need, we are producing an updated detailed street map of the Metro South region. The updated four-color, fold-out map features all eighteen Metro South communities and includes streets, highways, municipal buildings, schools and colleges, hospitals, major shopping centers, golf courses, museums, and other points of interest. The map can be folded to compact size, or unfolded to be hung as a wall map.

## We want you to be a part of it!

The Chamber will be producing 15,000 copies of the map and distributing them throughout the region to real estate companies, municipal buildings, colleges, hotels, and more. The map will also be sent nationwide to relocating businesses and families interested in the Metro South region.

Get your business “on the map!” There is limited advertising space available.
