

HELP US PROTECT YOU!

We're gearing up to fight for you -- and **slow the spread of COVID-19**. A lot of gear is needed, as seen in this photo of BNHC's Mary Doherty-Cahill. Help us at the **front lines** by sending:

- N95 or KN95 masks
- Face shields, goggles
- Protective gowns
- Surgical (ear loop) masks
- Cloth masks
- Disinfectant wipes

For a dropoff site near you or a pickup, email us at:
