

URGENT REQUEST FOR SUPPLIES

During this unprecedented health care crisis, BVNA is requesting the support of the community to help us continue to provide care to our patients.

If your business or organization has any of the following products and would be willing to donate them for our use in providing medically necessary home health and hospice care, we would be extremely grateful if you would contact us.

- Gloves
- Masks
- Hand sanitizer
- Alcohol wipes

Please call 508.587.2121 to arrange pick up or delivery.

Thank you so much for your support!
