SPECIAL NOTICE

On March 25, Governor Baker announced new funding under the Residential Assistance to Families in Transition (RAFT) program. This funding will provide short-term emergency financial assistance to help eligible **Homeowners** and **Renters** by assisting with mortgage payments, rent, utility bills, and other costs.

This special program targets households facing instability as a result of a COVID-19 (Coronavirus) related housing crisis due to a loss of wages or increase in expenses (e.g., medical expenses).
